## JUDGE BRIDGE CHAMPIONS HUMAN RIGHTS UNDER LAW

Judge Collamer A. Bridge today declared himself in favor of a "humane administration" of the elementary courts of the county. Judge Bridge, who is a candidate for Justice of the Peace of Inglewood township, office No. 2, pointed out that he preferred to consider the circumstances as well as the technicalities in maintaining justice and civil rights under the law.

Judge Bridge has a long record of public service as well as private practice as an attorney. He is at present municipal judge of Hermosa Beach and has won wide recognition for his juvenile work as well as his personal interest in the welfare of the youth of the community.

## Tideland Oil Fight Costly, Hatfield Warns

Millions of dollars in oil royalties will be lost, both to the state of California and the city of Long Beach, unless litigation between the city and state over tideland oil wells is immediately settled, Lieutenant Governor J. Hatfield warned today in an open letter to Arlin E. Stockburger, state director of finance.

Pointing out that the huge tideland pool has been valued at \$400,000,000, Hatfield declared that "a speedy compromise of that litigation is absolutely essential, if private interests are to be prevented from draining the tremendous oil pool."

The various suits involving the state, the cities of Long Beach and Los Angeles and private interests, may require years to adjudicate, Hatfield declared, and meanwhile an increasing number of private wells are being put down, rapidly draining the oil not only from under privately owned lands but also from under the public tidelands.

## Child Rams Car With Tricycle

Only quick thinking on the part of Mrs. Vera Pearson of Columbia Court and good brakes on her car prevented what might have been serious injuries to Jimmy Gene, four and one-half year old son of Mr. and Mrs. D. A. Murphy of 3423 Amapola last Friday evening.

The child rode into the street from the Kelly driveway at 1418 Amapola on his tricycle and struck Mrs. Pearson's car. She applied her brakes the moment she saw the little boy speeding into the street.

Jimmy Gene's tricycle was wrecked but he escaped with only scratches and bruises on his face and shoulders.
